The Word of God is the final answer on the issue of abortion.

TEXT: Psalms 139:13-17

Note these critical points:

1. **“God possessed me”,** reveals that God **owns** me, and **directed my growth**. **“..Covered me in my mother’s womb”,** reveals that God put a body on **me**. Then **I** had to have been there.
2. **Psalms 119:73, This** states that God made me and fashioned me in the womb. Would it not be a crime for someone to destroy what God is making? The womb is where we are made.
3. **Genesis 16:11** What does it say? Thou art with **Fetus** or **Child**? Did God know if it was male or female? Has God chosen a name in advance?
4. **Exodus 21:21-23** Does the word child refer to a **Fetus** or **Fruit**? The word **mischief** in verse 23 must refer to death, if the punishment is Life for Life. This means that the Life in the womb **is equal** to the Life of an adult.
5. **Job 10:11-12** For God to have clothed me, in my mother’s womb, **I must** have been there. If God granted me Life, then I must have the **RIGHT TO LIFE**.
6. **Luke 1:35-36 HOLY THING? Elizabeth HATH CONCEIVED** a son (not fetus). **This is passed tense and she still had 3 months to go.**
7. **Luke 1:41** Does it say, “The **fetus leaped** in her womb, or the ‘**babe**’ **leaped** in her womb?”
8. **Luke 2:5-7** Mary was great with_____ (**fetus or Child**?)
9. **Luke 2:12** Jesus is the **babe out of the womb**, that John was **in the womb** in Luke 1:41.
10. **Jeremiah 1:5** **God knew me** before he formed me, and **it was me** that came forth out of the womb.

If a woman destroys the Fruit of the womb, did she destroy a fetus or a child?
