1. **Cause** is a person or thing that acts, happens, or exists in such a way that some specific thing happens as a result; the producer of an effect: You have been the cause of much anxiety. What was the cause of the accident?
2. **Cause** is the reason or motive for some human action: The good news was a cause for rejoicing.
3. **Cause** is a good or sufficient reason: to complain without cause; to be dismissed for cause. “There was no CAUSE for that”.

1Th 2:13 **For this cause** also thank we God without ceasing, **because**, when ye received the word of God which ye heard of us, ye received *it not as* the word of men, but as it is in truth, the word of God, which effectually worketh also in you that believe.
