The world was told how to recognize the Messiah when he came into the world. They failed to see. The Believer has been told how to recognize the lost man, but have difficulties in finding them.

**How does God describe the lost man?**

**What are the people like we are trying to reach?**

**What would cause God to love you?**

### **EPH. 2:8-9 What does it say and what does it mean?**

#### **1. How does God describe the lost man?**

- Luke 19:10      LOST
- II Cor. 4:3      “
- Matt. 11:5      POOR
- Isa. 55:1,  
Rev. 22:17      THIRSTY  
“
- John 6:35      HUNGRY
- JOHN 9:25      BLIND
- John 3:18      UNBELIEVERS
- Mark 16:15      CREATURES
- Rom. 5:6      UNGODLY
- Rom. 5:8      SINNERS
- EZK. 3:18      WICKED
- II Peter 3:9      PERISHING

2. They don't believe in ETERNAL SECURITY (Eternal Security is the only true test of GRACE) (One of the best ways to find a lost man is to see if he knows beyond a shadow of a doubt if he is going to Heaven).

**THINK:** If you believe you can lose salvation, you don't know how to get to Heaven.

If you believe you can lose salvation, it must be under your control.

If you believe you can lose salvation, it must be according to how you live or don't live.

**CAN AN UNBELIEVER DECEIVE A CHRISTIAN INTO BELIEVING THEY ARE A CHRISTIAN?**

3. The GOSPEL is the only cure (The GOSPEL satisfies all the descriptions of the lost).

John 10:28      Never perish, hunger, thirst, be blind, etc.

I Cor. 1:18      The Gospel must solve all these problems or it has no power at all.
